**Review:**

The City of Mason City has negotiated the attached Development Agreement with the Mason City Foundation related to the completion of the new Museum and the renovation of Music Man Square as part of the Gatehouse Mason City hotel and convention center project.

The Development Agreement sets terms for the construction of the new Meredith Willson Museum by the Mason City Foundation. The Foundation is required to complete construction of a new museum to house the artifacts of the current museum space in Music Man Square. The City agrees to provide funding for the completion of the project in the amount not to exceed \$1,500,000.

The Development Agreement sets terms for the renovation of the current museum space in Music Man Square into a convention space by the Mason City Foundation. The Foundation is required to complete construction of a convention space to be able to hold an up to 600 person banquet. The City agrees to provide funding for the completion of the project in the amount not to exceed \$3,000,000.

The City will provide up front financing for each project and then reimburse for expenses related to completion of both projects up to the maximum allotted project costs. The agreement states that the new museum must be completed by December 31, 2018 and that the convention center renovation must be completed by December 31,

2019. These are the same dates that the hotel and arena projects will be required to be completed by. The Development Agreement requires them to have an operating agreement between Gatehouse Mason City and Mason City Foundation for the operation of the convention space. The City of Mason City also commits in this agreement to completing a skywalk between the new Meredith Willson Museum and Music Man Square.

**Budget Impact:**

The funding for the projects will come from Iowa Reinvestment District monies and Tax Increment Financing. RESOLUTION NO. 17 -

RESOLUTION MAKING FINAL DETERMINATION ON  
POTENTIAL SALE OF INTEREST IN REAL PROPERTY AND  
APPROVING AND AUTHORIZING EXECUTION OF A  
PURCHASE, SALE AND DEVELOPMENT AGREEMENT BY  
AND BETWEEN THE CITY OF MASON CITY AND MASON  
CITY FOUNDATION

WHEREAS, by Resolution No. 15-238, adopted October 20, 2015, this Council found and determined that certain areas located within the City are eligible and should be designated as an urban renewal area under Iowa law, and approved and adopted the Mason City Downtown Reinvestment Urban Renewal Plan (the "Plan" or "Urban Renewal Plan") for the Mason City Downtown Reinvestment Urban Renewal Area (the "Area" or "Urban Renewal Area") described therein, which Plan is on file in the office of the Recorder of Cerro Gordo County; and

WHEREAS, by Resolution No. 17-88 adopted May 11, 2017 this City Council approved and adopted an Amendment No. 1 to the Plan; and

WHEREAS, it is desirable that properties within the Area be redeveloped as part of the overall redevelopment area covered by said Plan; and

WHEREAS, such Plan provides for, among other things, the disposition of property for private development as a proposed renewal action; and

WHEREAS, the City has received a proposal from Mason City Foundation (the "Foundation"), in the form of a proposed Purchase, Sale and Development Agreement (the "Agreement") by and between the City and the Foundation, pursuant to which, among other things, the Foundation would agree to construct certain Museum Improvements and Convention Center Improvements (as defined in the Agreement) together with all related site improvements;

WHEREAS, the Agreement further proposes that the City will: (i) sell the Museum Property to the Foundation; (ii) provide a Museum Grant (as defined in the Agreement) to the Foundation in an amount not to exceed \$1,500,000; and (iii) provide a Convention Center Grant (as defined in the Agreement) to the Foundation in an amount not to exceed \$3,000,000 under the terms and following satisfaction of the conditions set forth in the Agreement; and

WHEREAS, one of the obligations of the Foundation relates to employment creation and/or retention; and

WHEREAS, Iowa Code Chapters 15A and 403 (the "Urban Renewal Law") authorize cities to make grants for economic development in furtherance of the objectives of an urban renewal project and to appropriate such funds and make such expenditures as may be necessary to carry out the purposes of said Chapter, and to levy taxes and assessments for such purposes; and

WHEREAS, the terms of the Agreement satisfy the "fair market value" and "competitive bidding" requirements of Iowa Code Section 403.8; and

WHEREAS, in compliance with Sections 403.8, 364.6, and 364.7 of the Code of Iowa, the Council has set forth its proposal to dispose of interests in the Museum Property, by publishing notice of a thirty day competitive bidding period followed by publication of notice of a public hearing on the Agreement and has held said hearing.

WHEREAS, the Council has determined that the Agreement is in the best interests of the City and the residents thereof and that the performance by the City of its obligations thereunder is a public undertaking and purpose and in furtherance of the Plan and the Urban Renewal Law and, further, that the Agreement and the City's performance thereunder is in furtherance of appropriate economic development activities and objectives of the City within the meaning of Chapters 15A and 403 of the Iowa Code taking into account any or all of the factors set forth in Chapter 15A, to wit:

- a. Businesses that add diversity to or generate new opportunities for the Iowa economy should be favored over those that do not.
- b. Development policies in the dispensing of the funds should attract, retain, or expand businesses that produce exports or import substitutes or which generate tourism-related activities.
- c. Development policies in the dispensing or use of the funds should be targeted toward businesses that generate public gains and benefits, which gains and benefits are warranted in comparison to the amount of the funds dispensed.
- d. Development policies in dispensing the funds should not be used to attract a business presently located within the state to relocate to another portion of the state unless the business is considering in good faith to relocate outside the state or unless the relocation is related to an expansion which will generate significant new job creation. Jobs created as a result of other jobs in similar Iowa businesses being displaced shall not be considered direct jobs for the purpose of dispensing funds; and

WHEREAS, pursuant to notice published as required by law, this Council has held a public meeting and hearing upon the proposal to approve and authorize execution of the Agreement, which includes the potential sale of the Museum Property (as defined in the Agreement), and has considered the extent of objections received from residents or property owners as to said proposed Agreement; and, accordingly the following action is now considered to be in the best interests of the City and residents thereof.

NOW THEREFORE, BE IT RESOLVED, BY THE CITY COUNCIL OF THE CITY OF MASON CITY IN THE STATE OF IOWA:

Section 1. The Council finds that disposal of interests in the Museum Property to the Foundation as set forth in the Agreement will benefit the health, safety and welfare of, and is in the best interests of the residents of the City. The Council further finds that transfer of the Museum Property will promote economic development in the City and that these benefits, together with the other consideration provided for in the Agreement, constitute fair consideration for the disposal of interests in the Museum Property under Section 403.8, Code of Iowa.

Section 2. The proposal to sell the Museum Property to the Foundation pursuant to the terms of the proposed Agreement is hereby approved.

Section 3. That the performance by the City of its obligations under the Agreement, including but not limited to selling the Museum Property to the Museum in connection with the redevelopment of the Museum Property under the terms set forth in the Agreement, be and is hereby declared to be a public undertaking and purpose and in furtherance of the Plan and the Urban Renewal Law and, further, that the Agreement and the City's performance thereunder is in furtherance of appropriate economic development activities and objectives of the City within the meaning of Chapters 15A and 403 of the Iowa Code, taking into account the factors set forth therein.

Section 4. That the form and content of the Agreement, the provisions of which are incorporated herein by reference, be and the same hereby are in all respects authorized, approved and confirmed, and the Mayor and the City Clerk be and they hereby are authorized, empowered and directed to execute, attest, seal and deliver the Agreement for and on behalf of the City in substantially the form and content now before this meeting, but with such changes, modifications, additions or deletions therein as shall be approved by such officers, and that from and after the execution and delivery of the Agreement, the Mayor and the City Clerk are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Agreement as executed.

PASSED AND APPROVED this 17<sup>th</sup> day of October, 2017.
