This Addendum 1 is meant to provide clarification and/or provide responses to questions. This Addendum becomes a part of the original Solicitation Package and as such, shall become part of the resultant Agreement with the successful bidder/proposer. All other information in the original solicitation is not altered by this Addendum.

This Addendum must be acknowledged online via NCTD’s online vendor portal, PlanetBids at GoNCTD.com using the “Contracting Opportunities” link; failure to do so is ground for disqualification.
