**PRE-BID QUESTIONS**

*The inclusion of the question(s) that accompany answer(s) in this addendum is provided for reference only and the question(s) shall not be construed as a contract modification or change.*

**Question 3:**

It was determined after field review that the existing shoulders and berm are high. Would the department please consider the addition of a linear grading item for Part 1?

**Answer 3:** We are adding shoulder preparation to help level off the shoulders before placing 617. This is different than what was posted on the web originally.
