Commodity Codes

Commodity Code	Description
72141	Paving service including highway paving and road paving and infrastructure building services and parking lot and surfacing services

Description

Complete and submit the Unit Pricing Schedule with your bid.

Terms and Conditions are non-negotiable. Any questions regarding Terms and Conditions are to be submitted prior to the bid due date. Attempts to take exception to any Terms and Conditions will render the bid nonresponsive. Any additional terms or conditions submitted by the bidder will be discarded, will not be considered and will not become a part of any contract that results from this IFB.

Granite School District reserves the right to award the bid to the next low bid if for any reason the low bid is rejected, is disqualified, fails to renew the contract or fails to perform.

When submitting a bid electronically through the Utah Public Procurement Place, allow sufficient time to complete the online forms and to upload documents. The solicitation will end precisely at the closing time listed. If you are in the middle of uploading your bid at the closing time, the Utah Public Procurement Place will stop the process and your bid will not be received.

A person with an outstanding tax lien in the state of Utah may not submit a quote, bid or offer.

GSD will reject a bid if the bid is not responsive or the bid is submitted by a bidder who is not responsible.

A bid that is not responsive includes a bid that:

1. is conditional;
2. attempts to modify the bid requirements;
3. contains additional terms or conditions; or
4. fails to conform with the requirements or specifications of the invitation for bids.

A bid that is submitted by a bidder who is not responsible includes a bid where the procurement officer reasonably concludes that the bidder or an employee, agent, or subcontractor of the bidder, at any tier, is unable to satisfactorily fulfill the bid requirements.

Contractor may not use GSD garbage cans or dumpsters without permission.

Any necessary grading, if any is associated with this bid, must be done with equipment that is GPS equipped.
