Description

Pre-Bid Meeting: See Specification Sheet A.

Failure to attend a mandatory pre-bid conference or site visit shall result in the disqualification of any bidder that does not have an authorized representative attend the entire duration of the mandatory pre-bid conference.

Contractors will be considered late and will not be allowed to attend the meeting if they arrive after the attendance roll has been signed by all in attendance and the doors to the room are closed.

Nothing stated at this meeting will change this Invitation For Bid unless a change is made by written addendum and posted on the Utah Public Procurement Place.

Bidders must complete and submit (upload with the bid, by the bid deadline) the Bid Form, Bid Alternate Form and the Unit Price Form if provided with this bid.

- It is the exclusive right of GSD to choose any, all or none of any requested alternates.
- Terms and conditions are nonnegotiable. Any questions regarding terms and conditions are to be submitted prior to IFB due date. Attempts to take exception to any terms and conditions will render the bid nonresponsive. Any additional terms or conditions submitted by the bidder will be discarded, will not be considered and will not become a part of any contract that results from this IFB.
- GSD reserves the right to award to the next low bidder if for any reason the low bid is not responsive, is withdrawn, rejected, disqualified or the bidder fails to perform.
- A person with an outstanding tax lien in the state of Utah may not submit a quote, bid or offer.

Granite School District will reject a bid if the bid is not responsive or the bid is submitted by a bidder who is not responsible.

A bid that is not responsive includes a bid that:

1. is conditional;
2. attempts to modify the bid requirements;
3. contains additional terms or conditions; or
4. fails to conform with the requirements or specifications of the invitation for bids.

A bid that is submitted by a bidder who is not responsible includes a bid where Granite School District concludes that the bidder or an employee, agent, or subcontractor of the bidder, at any tier, is unable to satisfactorily fulfill the bid requirements.

Granite School District trash cans and dumpsters may not be used by the contractor or by sub-contractors without specific permission by Granite School District.

Any necessary grading, if any is associated with this bid, must be done with equipment that is GPS equipped.
