Commodity Codes

Commodity Code	Description
72141	Paving service including highway paving and road paving and infrastructure building services and parking lot and surfacing services
72140	Construction services including sewer maintenance and repair, roads and highways and excavation and backfill services, levee and dam construction and digging, ditching, road grading, rock stabilization, equipment rental or lease, and energy conservation

Description

This project will construct a new access road north of the existing T-hangars for a future hangar site development (NIC) access at the South Valley Regional Airport (SVRA). A 24 ft. wide, 400 ft. long access road will be constructed with 3 ft. shoulders to allow access to future hangar sites. This project will include excavation and removal of existing materials, import of engineering fill, two 6" conduits installed on the east shoulder for future RMP raceway and construction of a new access road.

SLC project number 542407 Contract number CA-003267

Register for Notification of RFP or Bid Document Changes, Corrections & Addenda

It is your responsibility to register to receive any changes, corrections and addenda issued for the RFB (bid) or RFP(proposal) documents you download.

If you plan to download a bid or proposal document and would like to be notified of changes, corrections or addenda to them, you must register by providing your name, company name, company mailing address, telephone, fax numbers, and your email address.

You will be put on the list of recipients for that RFB or RFP and will be notified of any changes, corrections or addenda that occur.

Failure to provide this information and proceed with the download constitutes an automatic waiver of your right to receive a direct notification of any changes, corrections or addenda.

For Americans With Disabilities (ADA) accommodations, contact the individual listed or use our TDD phone at (801) 535-6021. Please allow 48 hour notice.
