Description

Springville City Incorporated (OWNER) will accept bids for the construction of the **2024 Trenchless Sanitary Sewer Rehabilitation** project according to the Drawings and Specifications and in accordance with the Springville City Standard Specifications and Drawings Manual, and described in general as:

Provide rehabilitation of approximately 717 linear feet of 8-inch and 2,028 linear feet of 10-inch sanitary sewer main utilizing the Cured-In-Place (CIPP) method in Springville, Utah. The work generally includes sanitary sewer pipe rehabilitation using CIPP, including cleaning, CCTV inspection, cutting off any protruding taps and/or roots, reinstating approximately 56 laterals utilizing "top hat" inserts, and related items of work.

Bids will be accepted by the OWNER on-line through <https://timyurl.com/springvillebids> until 3:00 pm local time on Tuesday, February 27, 2024. The OWNER will then make the decision of award and contact the individual bidders with the decision on or after Thursday, February 29, 2024.
