Description

Scope of Services Summary: The San Diego County Regional Airport Authority ("Authority") seeks proposals from firms or individuals ("Respondent") to provide services to prune all trees on a semi-annual basis, and provide on-call services for related trees services, to be determined by the Authority, at San Diego International Airport including Authority designated properties, and off-site residential properties in support of aircraft glide path height requirements surrounding the Airport. A draft scope of work is posted in "Exhibit A" of the draft contractor agreement set forth in the RFP.

Other Details Questions must be submitted via e-mail to the Procurement Department Representative, Erica Lopez at elopez@san.org, by the question deadline.
