## Description

---

This courtesy posting is an advertisement of a procurement opportunity for **Utah Communications Authority**, not the Division of Purchasing. Responses should be directed to the designated individual/office as designated in the solicitation document. The contract award for this solicitation will not be posted on this website. Instead, you will need to contact the designated individual/office as identified in the solicitation document. This solicitation posting will be canceled/closed upon the closing date of this solicitation; however, a vendor's response will still be evaluated by **Utah Communications Authority** as described in the solicitation document.

The Division of Purchasing is neither the issuing or conducting procurement unit for this solicitation, as such it is the vendor's responsibility to review the entire solicitation in order to comply with any requirements.

Please note that there is a 50 MB limit on a single file upload.

Acceptable File Types are DOC, DOCX, XLS, XLSX, CSV, PDF, PPT, JPG, GIF, PNG, TIFF, and .ZIP.

The MAC Version of Word (Pages) is not an acceptable file type. The file must be converted to PDF to upload.

**When uploading your pricing information the system will NOT calculate the total. This is normal and okay. The system will display \$0.00 as your bid amount as a matter of course. The person that is evaluating your response will still see your document and pricing.**

UCA is looking to hire a contractor with extensive radio site construction experience to build a new communications site near Notch Peak in Millard County. The communications site will be complete with radio equipment shelter and foundation, generator shelter and foundation, generator, propane tank, solar panels, and 80' tower.

All proposals on capabilities and offerings must be submitted via U3P/SciQuest to the Vendor Attachments section in the solicitation CP24-104 Request for Construction Bids – Notch Peak Site Build Project, and include your name/company name, address, phone number, and email in your submission.

Questions must be submitted through the U3P Q&A board. Q&A closes February 14th at 2PM MST
