Project Description:

The Jacksonville Transportation Authority (the "Authority" or the "JTA") hereby requests Proposals for RFP No. P-24-006 Skyway Traction Motor Repair.

The Authority is seeking proposals from qualified proposers for the repair of Skyway Three-Phase DC Motors that are utilized on the JTA Skyway vehicles as further detailed in the Exhibit 'A' will serve as "Guidelines for repair of DC traction motors of JTA Skyway vehicles".

Proposals will be received by the Authority, until the Proposal Closing date and time stated or published via any released addenda on the JTA Bonfire Procurement Portal at <https://jtafla.bonfirehub.com>.
